

TAGORE PUBLIC SCHOOL CELEBRATES WORLD ENVIRONMENT DAY

Tagore Public School, Prayagraj, celebrated World Environment Day on 5 June, 2021 with a slew of online events organised in different categories from classes Nursery to XII, keeping in view to sensitize students on various environmental issues and to connect them with Mother Nature for a better future.

The kids of the Pre-Primary section participated in various activities planned and monitored by their teachers like watering the plants around their dwellings, and drawing pictures and giving catchy captions. They also made bags out of different types of papers. The main purpose of these activities was to spread awareness about the need to protect the environment and not use plastic bags.

An online 'Fancy Dress Competition' for children of classes I & II was organised with a purpose not only to blend learning with fun but also to install confidence in them. Class III students painted boxes of different shapes and sizes to create Birds' House and participated ardently in the competition. Other than this, 'Extempore' and 'Recitation' were also organised for classes IV and V.

The students of the Middle School also participated wholeheartedly in several other events viz. 'Solution of Polythene Pollution', 'Trash to Treasure' and PowerPoint presentation on the topic 'Conservation of Biodiversity' wherein they used eco-friendly materials and conveyed a message to "Go Green".

To coincide with the event, students of the Senior School participated in various competitions with great zest and zeal and in its turn accentuated to understand how environment is of utmost important to all of us. The college section students participated in 'Best out of Waste', 'Slogan Writing', 'Poster Making', 'Article and Poem Writing'.

Subsequently, students were awarded certificates for the best performances. The celebration came to an end with everyone taking a pledge to save the environment and doing their bit for a cleaner and greener Mother Earth.

Our students never fail to amaze us with their creativity. Heartiest congratulations to all the winners for their achievement! Overall result of various competitions is as follows:
